(2) Budget implementation conditions: Not applicable since 2022 financial forecasts were not made public.

(3) Revenues, expenditures, and profitability analysis: Please refer to the consolidated income statement.

(4) R&D conditions:

R&D expenses accounted for 3% of the net operating revenue in 2022. The Group will continue its research efforts and implement updates of its production technologies. The goal lies in the acceleration of new product development schedules and reduction of defect rates as well as the gradual enhancement of product development capabilities and technologies.

II. Business plan overview

Yeong Guan Group is a major global supplier of castings for wind turbines, plastic injection molding machinery, and industrial machinery. The Group possesses advanced process technologies and metallurgical engineering technologies with high technology content. It provides premium quality product coupled with stable delivery times and has therefore earned the trust and loyalty of its clients. The group's core competitiveness lies in its industry-leading production scale, detail-oriented foundry technologies, and vertical integration capabilities.

Group development strategy

(1) Short-term goals (1~2 years):

The output target for 2023 has been set to be more than 200,000 tons in consideration of various factors including the global economic climate, the changing industry environment, market competition and supply and demand conditions, business development progress of new and existing customers worldwide, and the group's own production capacities.

In view of new growth trends in offshore wind power installations worldwide, the Taichung Harbor manufacturing base will be the key development project of the Group. In addition to the production of castings for large-scale offshore wind power installations, production capacities for injection molding and industrial machinery castings will be increased. The Taichung Harbor project will start to supply large-scale castings for domestic offshore wind turbines in 2023. At present, only Yeong Guan Group in Taiwan

has the ability to supply such products, which is expected to help improve profitability and positively help the Company's revenue performance. With a view to expanding into a new market and taking full advantage of the recently announced investment solicitation policy of the Thai Government, we have launched the planning and construction process for our manufacturing base in Thailand. Construction of this plant base has started in August 2022 as planned, and is scheduled to be completed by the end of 2024.

(2) Medium-term goals (3~5 years)

Upon completion of plant construction and commissioning in the Taichung Harbor area and in Thailand, gradual transition to stable mass production is planned.

In line with the projected gradual increase in the global demand for offshore wind power installations, the Group is fully committed to a step-by-step increase in its production capacity and efficiency in the Taichung Harbor area coupled with a decrease in production costs. The goal is to take maximum advantage of the vibrant demand for offshore wind turbine castings. The production capacity of the manufacturing base in Thailand will be expanded in line with international market developments and the client's need. Emerging Southeast Asian countries have a competitive advantage which relies on their high population share of young adults, low salary levels, and key strategic location. In addition, the Group's customers in Europe, the Americas, and Japan have expressed a clear intention to expand their supply chain layout and thereby reduce risks after the outbreak of the Sino-US trade war and the ravaging COVID-19 pandemic last year. This presents an ideal opportunity for Yeong Guan to provide globalized services for its customers and thereby ensure long-term stable growth of the Group's production capacities.

(3) Long-term goals (5~10 years):

The following planning initiatives have been adopted to enhance group competitiveness, fulfill the group's corporate social responsibility, and achieve the goal of sustainable operations:

1. ESG (Environmental, Social, Governance):

The issue of social responsibility investments has attracted increasing attention in investment circles, which has resulted in vigorous development in this field. In line with the rising importance of this issue in recent years, investors no longer only consider the financial health and growth potential of companies but also direct their attention to ESG criteria for their investment decisions. In response to the Corporate Governance 3.0 - Sustainable Development Blueprint developed by the Financial Supervisory Commission, the Group actively promotes board diversity and enhances board functions and risk management in the governance dimension. In the field of environmental issues, we prioritize the environmental impact of GHG and carbon emissions. In addition to the disclosure of quantitative information pertaining to carbon emissions, water consumption, and solid waste, we are firmly committed to enhancing our resource use efficiency. In the social dimension, we are actively engaged in the protection of human rights and provision of employee care by relying on the disclosure of occupational safety and accident statistics, workplace diversity and gender equality, and quantification of social issue contents with the ultimate goal of strengthening ESG-related information disclosure and realizing corporate sustainability.

This is the English translation. In case of discrepancies between the Chinese Text and the English translation, the Chinese text shall prevail.

2. Promotion of green, innovative production modes:
The Group continues to replace outdated noise, dust, atmospheric, and water treatment systems, lighting devices, excess heat recovery equipment and electric furnaces, digital management systems, and renewable energy equipment in a determined effort to promote green factories, advance toward the goal of energy conservation and carbon reduction, and turn into an eco-friendly company.
3. Implementation of lean production management:
Lean production is based on system structure, staff organization, operation methods, and supply/demand considerations. The goal is to ensure the capability of the production system to accommodate user needs in a rapid manner, streamline production processes by eliminating all unnecessary or superfluous elements, and strengthen production management models.
4. Promotion of talent training and mentorship programs:
The Group designs professional talent training programs to provide executives at all levels with the ability to solve problems in a proactive manner. Training contents are arranged in accordance with individual characteristics and work attributes to cultivate and stock up on outstanding management and technology talent and lay a solid foundation for Group sustainability.

In the future, the Group will continue to optimize its organizational management models in accordance with business policy planning. The goal is to gain a better understanding of customer needs, ensure a focus on customer values, upgrade the management and production capabilities of the organization, and implement ESG principles in an effort to perfect corporate governance. The Group aims to fulfill its CSR (corporate social responsibility) and maximize values with sustainability as the key objective.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders

YEONG GUAN ENERGY TECHNOLOGY GROUP CO., LTD.

Opinion

We have audited the accompanying financial report of YEONG GUAN ENERGY TECHNOLOGY GROUP CO., LTD. and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2022 and 2021, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters for the Group's consolidated financial statements for the year ended December 31, 2022 are stated as follows:

The Occurrence of Operating Revenue

With respect to the Group's consolidated operating revenue for 2022, revenue from injection molding machine products accounted for 53.74% of annual operating revenue. The revenue from major client products of injection molding machine accounted for 42.22% of the annual revenue from renewable energy. Given the fact that operating revenue amount from such clients was material, recognition of operating revenue from major clients of renewable energy category was therefore listed as a key audit matter.

With respect to this key audit matter, we hereto took the Group's occurrence of operating revenue recognition into consideration in evaluating design and execution of operating revenue related to internal control. Samples were selected from renewable energy major clients to conduct verification test on detail items for the purpose of checking transaction vouchers as well as audit process for subsequent payment collection. Meanwhile, letters were sent to such clients to verify period-end account receivable balance for the purpose of verifying that operating revenue actually occur and amount was accurate.

This is the English translation. In case of discrepancies between the Chinese Text and the English translation, the Chinese text shall prevail.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible

This is the English translation. In case of discrepancies between the Chinese Text and the English translation, the Chinese text shall prevail.

for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2022, and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- (b) no person other than the Member shall be recognised by the Company as having any right in a share.

9. Transfer of Registered Shares

9.1 Title to shares listed on the TSE may be evidenced and transferred in a manner consistent with the Applicable Public Company Rules (including through the book-entry system of the TDCC) that are applicable to shares listed on the TSE.

9.2 All transfers of shares which are in certificated form may be effected by an instrument of transfer in writing in any usual form or in any other form which the Board may approve and shall be executed by or on behalf of the transferor and, if the Board so requires, by or on behalf of the transferee. Without prejudice to the foregoing, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers.

9.3 The Board may refuse to recognise any instrument of transfer in respect of shares in certificated form unless it is accompanied by the certificate in respect of the shares to which it relates and by such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer.

If he elects to have another person registered as the holder of such share, he shall sign an instrument of transfer of that share to that person.
- 10.3** A person becoming entitled to a share by reason of the death or bankruptcy or liquidation or dissolution of a Member (or in any case other than by transfer) shall be entitled to the same dividend, other distributions and other advantages to which he would be entitled if he were the registered holder of such share. However, he shall not, before becoming a Member in respect of a share, be entitled in respect of it to exercise any right conferred by membership in relation to general meetings of the Company. Notwithstanding the aforesaid, the Board may at any time give notice requiring any such person to elect either to be registered himself or to have some person nominated by him be registered as the holder of the share. If the notice is not complied with within ninety days of being received or deemed to be received (as determined pursuant to the Articles), the Board may thereafter withhold payment of all dividend, other distributions, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.
- 10.4** Notwithstanding the above, for as long as the shares are listed on the TSE, the transmission of the shares may be evidenced and transferred in a manner consistent with the Applicable Public Company Rules (including through the book-entry system of the TDCC) that are applicable to shares listed on the TSE.

No unpaid dividend shall bear interest as against the Company.

13.2 The Directors may determine that a dividend shall be paid wholly or partly by the distribution of specific assets (which may consist of the shares or securities of any other company) and may settle all questions concerning such distribution. A Member holding more than one share shall cast the votes in respect of his/her/its shares in the same way on a resolution proposed at a general meeting unless otherwise provided by the Applicable Public Company Rules, in which circumstance, the qualifications, application, manners for the exercise of such respective voting rights, procedures and other related matters thereof shall comply with the Applicable Public Company Rules, these Articles and the Law.
- 24.2** No person shall be entitled to vote at any general meeting or at any separate meeting of the holders of a class of shares unless he is registered as a Member on the record date for such meeting.
- 24.3** Votes may be cast either in person or by proxy. A Member may appoint another person as his proxy by specifying the scope of appointment in the proxy instrument prepared by the Company to attend and vote at a general meeting, provided that a Member may appoint only one proxy under one instrument to attend and vote at such meeting.
- 24.4** To the extent permitted by Applicable Law and notwithstanding any provisions provided in these Articles, the Company shall provide Members not attending and voting at a general meeting in person, by proxy or by duly authorized representatives (where a Member is a corporation or other non-natural person), for exercising their voting power and casting their votes by way of electronic transmission (as provided under the ROC Electronic Signatures Act) prior to commencement of the general meeting, provided that the relevant methods and procedures are specified in the notice of that meeting and complied with by such Member(s). Any Member who intends to exercise his voting power by a written instrument or by way of electronic transmission shall serve the Company with his/her/its voting decision at least two (2) calendar days prior to the date of such general meeting. Where more than one voting instrument is received from the same Member by the Company, the first voting instrument shall prevail, unless an explicit written statement is made by the relevant Member to revoke the previous voting instrument in the later-received voting instrument. For the avoidance of doubt, those Members voted in the manner mentioned in the foregoing shall, for purposes of these Articles and the Law, be deemed to have appointed the chairman of the general meeting as their proxy to vote their shares at the general meeting only in the manner directed by their written instrument or electronic document. The chairman as proxy shall not have the power to exercise the voting rights of such Members with respect to any matters not referred to or indicated in the written or electronic document and/or any amendment to resolution(s) proposed at the general meeting, and the Members shall be deemed to have waived their voting rights with respect to any extemporary matters or amendment to resolution(s) proposed at the general meeting.
- 24.5** In the event any Member who has served the Company with his/her/its declaration of intention to exercise his/her/its voting power by means of a written instrument or by

means of electronic transmission pursuant to Article 24.4 hereof later intends to attend general meetings in person, he/she/it shall, at least two (2) calendar days prior to the date of the general meeting, serve a separate declaration of intention to revoke his/her/its previous votes casted by written instrument or electronic transmission in the same manner previously used in exercising his/her/its voting power, failing which, the Member shall be deemed to have waived his right to attend and vote at the relevant general meeting in person, the deemed appointment by the Member of the chairman as proxy shall remain valid and the Company shall not count any votes cast by such Member physically at the relevant general meeting.

- 24.6** A Member who is deemed to have appointed the chairman as proxy pursuant to Article 24.4 for purposes of casting his vote by written instrument approved by the Board or by way of electronic transmission shall have the right to appoint another person as its proxy to attend the meeting in accordance with these Articles, in which case the express appointment of another proxy shall be deemed to have revoked the deemed appointment of the chairman as proxy under Article 24.4 and the Company shall only count the vote(s) casted by such expressly appointed proxy at the meeting.

25. Proxies

- 25.1** The instrument of proxy shall be in the form approved by the Board and be expressed to be for a particular meeting only. The form of proxy shall include at least the following information: (a) instructions on how to complete such proxy, (b) the matters to be voted upon pursuant to such proxy, and (c) basic identification information relating to the relevant Member, proxy and the solicitor for proxy solicitation (if any). - 25.2** An instrument of proxy shall be in writing, be executed under the hand of the appointor or of his attorney duly authorised in writing, or, if the appointor is a corporation, under the hand of an officer or attorney duly authorised for that purpose. A proxy need not be a Member of the Company.
- 25.3** In the event that a Member exercises his voting power by way of a written instrument or electronic transmission and is deemed to have appointed the chairman of the meeting as his/her/its proxy pursuant to Article 24.4, and has also validly authorised another proxy to attend a general meeting by completing and returning the requisite proxy form, then the voting power exercised by the proxy (rather than the chairman of the meeting) at the general meeting shall prevail. In the event that any Member who has authorised a proxy to attend a general meeting (excluding the deemed appointment of the chairman of the meeting pursuant to Article 24.4) later intends to attend the general meeting in person or to exercise his voting power by way of a written instrument or electronic transmission, he shall, at least two (2) days prior to the date of such general meeting, serve the Company with a separate notice revoking his previous appointment of the proxy. Votes by way of proxy shall remain valid if the relevant Member fails to revoke his appointment of such proxy before the prescribed time.

25.4 Subject to the Applicable Public Company Rules, except for an ROC trust enterprise or stock agencies approved by the ROC competent authority, save with respect to the chairman being deemed appointed as proxy under Article 24.4, when a person acts as the proxy for two or more Members, the total number of voting shares that the proxy may vote shall not exceed three percent (3%) of the total number of voting shares of the Company; otherwise, such number of voting shares in excess of the aforesaid threshold shall not be counted towards the number of votes cast for or against the relevant resolution or the number of voting shares entitled to vote on such resolution but shall be included in the quorum. Upon such exclusion, the number of voting shares being excluded and attributed to each Member represented by the same proxy shall be determined on a pro-rata basis based on the total number of voting shares being excluded and the number of voting shares that such Members have appointed the proxy to vote for.

25.5 The instrument of proxy shall be deposited at the Registered Office or the office of the Company's stock affairs agent in the ROC or at such other place as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent out by the Company not less than five days before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and in default, save with respect to the deemed appointment of the chairman as proxy under Article 24.4, the instrument of proxy shall not be treated as valid PROVIDED that the chairman of the meeting may in his discretion accept an instrument of proxy sent by telex or telefax upon receipt of telex or telefax confirmation that the signed original thereof has been sent. Where multiple instruments of proxy are received by the Company from the same Member, the first written duly executed and valid instrument of proxy received by the Company shall prevail, unless an explicit written statement revoking the previous instrument(s) appointing a proxy is made in the subsequent duly executed and valid instrument of proxy received by the Company. The chairman of the meeting shall have the discretion to determine which instrument of proxy shall be accepted where there is any dispute. Unless otherwise provided in these Articles, delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting in person at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

Prior to the date for issuance of notice of a shareholders meeting, this Corporation shall inform the shareholders who submitted proposals of the proposal screening results, and shall list in the meeting notice the proposals that conform to the provisions of this article. At the shareholders meeting the board of directors shall explain the reasons for exclusion of any shareholder proposals not included in the agenda.

Article 4 For each shareholders meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by this Corporation and stating the scope of the proxy's authorization.

A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders meeting, and shall deliver the proxy form to this Corporation before 5 days before the date of the shareholders meeting. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment.

After a proxy form has been delivered to this Corporation, if the shareholder intends to attend the meeting in person or to exercise voting rights by correspondence or electronically, a written notice of proxy cancellation shall be submitted to this Corporation before 2 business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

Article 5 The venue for a shareholders meeting shall be the premises of this Corporation, or a place easily accessible to shareholders and suitable for a shareholders meeting.

Shareholders meetings shall be convened in Taiwan if shares of this company are already traded on the Taiwan Stock Exchange. If the board of directors resolves to convene a shareholders meeting in areas other than Taiwan, the company shall apply for permission by the Taiwan Stock Exchange within three days upon adoption of said resolution by the board of directors.

The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to the opinions of the independent directors with respect to the place and time of the meeting.

Article 6 This Corporation shall specify in its shareholders meeting notices the time during which shareholder attendance registrations will be accepted, the place to register for attendance, and other matters for attention.

The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting

commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations.

Shareholders and their proxies (collectively, "shareholders") shall attend shareholders meetings based on attendance cards, sign-in cards, or other certificates of attendance. No arbitrary requirements shall be imposed on shareholders to provide additional evidentiary documents beyond those showing eligibility to attend.

Solicitors soliciting proxy forms shall also bring identification documents for verification.

This Corporation shall furnish the attending shareholders with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in.

This Corporation shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors, pre-printed ballots shall also be furnished.

When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting.

Article 7

If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairperson of the board. When the chairperson of the board is on leave or for any reason unable to exercise the powers of the chairperson, the vice chairperson shall act in place of the chairperson; if there is no vice chairperson or the vice chairperson also is on leave or for any reason unable to exercise the powers of the vice chairperson, the chairperson shall appoint one of the managing directors to act as chair, or, if there are no managing directors, one of the directors shall be appointed to act as chair. Where the chairperson does not make such a designation, the managing directors or the directors shall select from among themselves one person to serve as chair.

When a managing director or a director serves as chair, as referred to in the preceding paragraph, the managing director or director shall be one who has held that position for six months or more and who understands the financial and business conditions of the company. The same shall be true for a representative of a juristic person director that serves as chair.

For a shareholders meeting called by the board of directors, it is advisable that the board chairperson chair the meeting, that a majority of the directors attend in person, and that at least one member of each functional committee attend as representative. Attendance details should be recorded in the shareholders meeting minutes.

If a shareholders meeting is convened by a party with power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

This Corporation may appoint its attorneys, certified public accountants, or related

persons retained by it to attend a shareholders meeting in a non-voting capacity.

Article 8 This Corporation, beginning from the time it accepts shareholder attendance registrations, shall make an uninterrupted audio and video recording of the registration procedure, the proceedings of the shareholders meeting, and the voting and vote counting procedures.

The recorded materials of the preceding paragraph shall be retained for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Article 9 Attendance at shareholders meetings shall be calculated based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book or sign-in cards handed in plus the number of shares whose voting rights are exercised by correspondence or electronically.

The chair shall call the meeting to order at the appointed meeting time and announce the relevant information such as the number of non-voting rights and the number of shares present. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within 1 month.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.

Article 10 If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. Voting by poll shall be adopted for relevant proposals (incl. extraordinary motions and amended proposals). The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.

The provisions of the preceding paragraph apply *mutatis mutandis* to a shareholders meeting convened by a party with the power to convene that is not the board of directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the

meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed and call for a vote. Sufficient time shall be allowed for voting

Article 11 Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail. Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal.

After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.

Article 12 Voting at a shareholders meeting shall be calculated based the number of shares.

With respect to resolutions of shareholders meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of this Corporation, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraphs shall not be calculated as part of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed 3 percent of the voting rights represented by the total number of issued

shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

Article 13 A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179, paragraph 2 of the Company Act.

When the Company holds a shareholders meeting, it may allow the shareholders to exercise voting rights by electronic means or written correspondence; when voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that the Company avoids the submission of extraordinary motions and amendments to original proposals.

A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to this Corporation before 2 days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to this Corporation, by the same means by which the voting rights were exercised, before 2 business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Except as otherwise provided in the Company Act of the Republic of China (Taiwan) and in this Corporation's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders and to arrange for their shareholders to vote on each separate proposal in the shareholders meeting agenda, and following conclusion of the meeting, to enter the voting results the same day, namely the numbers of votes cast for and against and the number of abstentions, on the Market Observation Post System.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be

required.

Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of this Corporation.

Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.

Article 14 The election of directors (including independent directors) at a shareholders meeting shall be held in accordance with the applicable “Election and Appointment Procedures of Directors” adopted by this Corporation, and the voting results shall be announced on-site immediately, including the names of those elected as directors (including independent directors) and the numbers of votes with which they were elected. And the list of unsuccessful directors (including independent directors) and the number of voting rights obtained.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 15 Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in electronic form.

This Corporation may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS.

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their results (including statistical weighting). Where directors are elected, weighted votes for each candidates shall be disclosed. All meeting minutes shall be retained for the duration of the existence of the Company.

Article 16 On the day of a shareholders meeting, this Corporation shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation and the number of shares represented by proxies, and shall make an express disclosure of the same at the place of the shareholders meeting.

If matters put to a resolution at a shareholders meeting constitute material information under applicable laws or regulations or under Taiwan Stock Exchange Corporation (or GreTai Securities Market) regulations, this Corporation shall upload the content of such resolution to the MOPS within the prescribed time period.

This is the English translation. In case of discrepancies between the Chinese Text and the English translation, the Chinese text shall prevail.

Article 17 Staff handling administrative affairs of a shareholders meeting shall wear identification cards or arm bands.

The chair may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor."

At the place of a shareholders meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by this Corporation, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

Article 18 When a meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

If the meeting venue is no longer available for continued use and not all of the items (including extraordinary motions) on the meeting agenda have been addressed, the shareholders meeting may adopt a resolution to resume the meeting at another venue. A resolution may be adopted at a shareholders meeting to defer or resume the meeting within 5 days in accordance with Article 182 of the Company Act.

Article 19 If the regulations set forth in these rules conflict with the articles of incorporation of this company, the regulations set forth in the articles of incorporation shall prevail. If these rules conflict with applicable laws (applicable regulations set forth in the laws of the Cayman Islands and the Taiwan Stock Exchange). The relevant provisions that conflict with said laws shall be invalid and matters governed by these provisions shall be handled pursuant to relevant applicable laws

- 2.1 Subject to these Articles and any resolution of the Members to the contrary, and without prejudice to any special rights previously conferred on the holders of any existing shares or class of shares, the Board shall have the power to issue any unissued shares of the Company on such terms and conditions as it may determine and any shares or class of shares (including the issue or grant of options, warrants and other rights, renounceable or otherwise in respect of shares) may be issued with such preferred, deferred or other special rights or such restrictions, whether in regard to dividend, voting, return of capital, or otherwise as the Company may by resolution of the Members prescribe, provided that no share shall be issued at a discount except in accordance with the Law.
- 2.2 Unless otherwise provided in these Articles, the issue of new shares of the Company shall be approved by a majority of the Directors at a meeting attended by two-thirds or more of the total number of the Directors. The issue of new shares shall at all times be subject to the sufficiency of the authorized capital of the Company.
- 2.3 Where the Company increases its issued share capital by issuing new shares for cash consideration in the ROC the Company shall allocate 10% of the total amount of the new shares to be issued, for offering in the ROC to the public ("Public Offering Portion") unless it is not necessary or appropriate, as determined by the FSC or TSE, for the Company to conduct the aforementioned public offering. However, if a percentage higher than the aforementioned 10% is resolved by the Members in a general meeting by ordinary resolution to be offered, the percentage determined by such resolution shall prevail and shares corresponding to such percentage shall be reserved as Public Offering Portion. The Company may also reserve up to 15% of such new shares for subscription by its employees (the "Employee Subscription Portion").
- 2.4 Unless otherwise resolved by the Members in general meeting by ordinary resolution, where the Company increases its issued share capital by issuing new shares for cash consideration, after allocation of the Public Offering Portion and the Employee Subscription Portion pursuant to Article 2.3 hereof, the Company shall make a public announcement and notify each Member that he is entitled to exercise a pre-emptive right to purchase his pro rata portion of the remaining new shares, to be issued in the capital increase for cash consideration. The Company shall state in such announcement and notices to the Members the procedures for exercising such pre-emptive rights. Where an exercise of the pre-emptive right may result in fractional entitlement of a Member, the entitlements (including fractional entitlements) of two or more Members may be combined to jointly subscribe for one or more whole new shares in the name of a single Member, subject to compliance with such directions and terms and conditions as determined by the Board and the Applicable Public Company Rules. If

the total number of the new shares to be issued has not been fully subscribed for by the Members within the prescribed period, the Company may consolidate such shares into the public offering tranche or offer any un-subscribed new shares to a specific person or persons in such manner as is consistent with the Applicable Public Company Rules.

If any person who has subscribed the new shares (by exercising the aforesaid pre-emptive right of Members or subscribing the Public Offering Portion or the Employee Subscription Portion) fails to pay when due any amount of the subscription price in relation to such newly-issued shares within the payment period as determined by the Company, the Company shall fix a period of no less than one month and demand for payment of the subscription price or the Company may declare a forfeiture of such subscription. No forfeiture of such subscription shall be declared as against any such person unless the amount due thereon shall remain unpaid for such period after such demand has been made. Notwithstanding the provisions of the preceding sentence, forfeiture of the subscription may be declared without the demand process if the payment period for subscription price set by the Company is one month or longer. Upon forfeiture of the subscription, the shares remaining unsubscribed to shall be offered for subscription in such manner as is consistent with the Applicable Public Company Rules.

- 2.5** Subject to the provisions of the Law, the Company may issue new shares subject to restrictions and conditions ("**Restricted Shares**") to employees of the Company and its Subsidiaries with the sanction of a Supermajority Resolution provided that Article 2.3 hereof shall not apply in respect of the issue of such shares. For so long as the shares are listed on the TSE, the terms of issue of the Restricted Shares, including but not limited to the number of Restricted Shares so issued, issue price of Restricted Shares and other related matters shall be in accordance with the Applicable Public Company Rules.
- 2.6** The Public Offering Portion and the Employee Subscription Portion under Article 2.3 and the pre-emptive right of Members under Article 2.4 shall not apply in the event that new shares are issued due to the following reasons or for the following purposes:
- (k) in connection with a Merger, Share Swap, Spin-off, or pursuant to any reorganization of the Company;

 - (o) in connection with meeting the Company's obligations under Preferred Shares vested with rights to acquire shares;
 - (p) in connection with the issue of shares in accordance with Article 13.7; or

- 2.7 The Company shall not issue any unpaid shares or partly paid shares.
- 2.8 Notwithstanding Article 2.5 hereof, the Company may, upon approval by a majority of the Directors at a meeting attended by two-thirds or more of the total number of the Directors, adopt one or more employee incentive programmes and may issue shares or options, warrants or other similar instruments, to employees of the Company and its Subsidiaries, and for the avoidance of doubt, approval by the Members is not required.
- 2.9 Options, warrants or other similar instruments issued in accordance with Article 2.8 above are not transferable save by inheritance.
- 2.10 The Company may enter into agreements with employees of the Company and the employees of its Subsidiaries in relation to the incentive programme approved pursuant to Article 2.8 above, whereby employees may subscribe, within a specific period of time, a specific number of the shares. If any purchase of the Company’s own shares involves any immediate cancellation of shares of the Company, such repurchase of shares is subject to approval by the Members by way of an ordinary resolution and the number of shares of the Company to be cancelled shall be allocated among all the Members as of the date of such cancellation on a pro rata basis (as rounded up or down to the nearest whole number as determined by the Directors) based on the then prevailing percentage of shareholding of the Members, unless otherwise provided for in the Law or the Applicable Public Company Rules.

Upon approval by Members by way of an ordinary resolution to repurchase and cancel shares of the Company, the repurchase price may be paid in cash or in kind, provided that where any repurchase price is to be paid in kind, the monetary equivalent value of

such payment in kind shall be (a) assessed by an ROC certified public accountant before being submitted by the Board to the Members for approval as part of the ordinary resolution authorising the repurchase and cancellation of shares of the Company; and (b) agreed to individually by each Member who will be receiving the repurchase price in kind.

- 3.7** Subject to Article 3.5, the redemption or repurchase price may be paid in any manner permissible under the Law as determined by the Directors, including out of capital.
- 3.8** A delay in payment of the redemption price shall not affect the redemption but, in the case of a delay of more than thirty days, interest shall be paid for the period from the due date until actual payment at a rate which the Directors, after due enquiry, estimate to be representative of the rates being offered by banks holding “A” licenses (as defined in the Banks and Trust Companies Act of the Cayman Islands) in the Cayman Islands for thirty day deposits in the same currency.
- 3.9** Subject to Article 3.5, the Directors may exercise as they think fit the powers conferred on the Company by Section 37(5) of the Law (payment out of capital).

- 3.14** The Company shall be entered in the Register of Members as the holder of the Treasury Shares provided that:

The aggregate number of Treasury Shares resolved at all general meetings and transferred to the employees of the Company and its Subsidiaries shall not exceed 5% of the total number of issued shares, and each employee may not subscribe for more than 0.5% of the total number of issued shares in aggregate. The Company may prohibit such employees from transferring such Treasury Shares within a certain period; provided, however, that such a period cannot be more than two years from the date that such employees became the registered holders of the relevant Treasury Shares.

3.16 Subject to Article 3.15, Treasury Shares may be disposed of by the Company on such terms and conditions as determined by the Directors.

the Law.

8. Registered Holder Absolute Owner

Except as required by Law:

- (a) no person shall be recognised by the Company as holding any share on any trust; and
- (b) no person other than the Member shall be recognised by the Company as having any right in a share.

9. Transfer of Registered Shares

9.1 Title to shares listed on the TSE may be evidenced and transferred in a manner consistent with the Applicable Public Company Rules (including through the book-entry system of the TDCC) that are applicable to shares listed on the TSE.

9.2 All transfers of shares which are in certificated form may be effected by an instrument of transfer in writing in any usual form or in any other form which the Board may approve and shall be executed by or on behalf of the transferor and, if the Board so requires, by or on behalf of the transferee. Without prejudice to the foregoing, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers.

9.3 The Board may refuse to recognise any instrument of transfer in respect of shares in certificated form unless it is accompanied by the certificate in respect of the shares to which it relates and by such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer.

9.4 The joint holders of any share may transfer such share to one or more of such joint holders, and the surviving holder or holders of any share previously held by them jointly with a deceased Member may transfer any such share to the executors or administrators of such deceased Member.

9.5 The Board may in its absolute discretion and without assigning any reason therefor refuse to register the transfer of a share in certificated form in the event such registration of transfer would (i) conflict with the Applicable Law; or (ii) conflict with the Memorandum and/or these Articles. If the Board refuses to register a transfer of any share, the Secretary shall, within three months after the date on which the transfer was lodged with the Company, send to the transferor and transferee notice of the refusal.

9.6 Nothing in these Articles shall preclude the Board from recognizing a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register of Members in respect of it.

10. Transmission of Shares

10.1 In the case of the death of a Member, the survivor or survivors where the deceased Member was a joint holder, and the legal personal representatives of the deceased Member where the deceased Member was a sole holder, shall be the only persons recognised by the Company as having any title to the deceased Member's interest in the

shares. Nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by such deceased Member with other persons. Subject to the provisions of Section 39 of the Law, for the purpose of this Article, legal personal representative means the executor or administrator of a deceased Member or such other person as the Board may, in its absolute discretion, decide as being properly authorised to deal with the shares of a deceased Member.

- 10.2** Any person becoming entitled to a share in consequence of the death or bankruptcy or liquidation or dissolution of a Member (or in any way other than by transfer) may, upon such evidence being produced as may from time to time be required by the Board, elect, by a notice in writing sent by him to the Company, either to become the holder of such share or to have some person nominated by him registered as the holder of such share. If he elects to have another person registered as the holder of such share, he shall sign an instrument of transfer of that share to that person.
- 10.3** A person becoming entitled to a share by reason of the death or bankruptcy or liquidation or dissolution of a Member (or in any case other than by transfer) shall be entitled to the same dividend, other distributions and other advantages to which he would be entitled if he were the registered holder of such share. However, he shall not, before becoming a Member in respect of a share, be entitled in respect of it to exercise any right conferred by membership in relation to general meetings of the Company. Notwithstanding the aforesaid, the Board may at any time give notice requiring any such person to elect either to be registered himself or to have some person nominated by him be registered as the holder of the share. If the notice is not complied with within ninety days of being received or deemed to be received (as determined pursuant to the Articles), the Board may thereafter withhold payment of all dividend, other distributions, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.
- 10.4** Notwithstanding the above, for as long as the shares are listed on the TSE, the transmission of the shares may be evidenced and transferred in a manner consistent with the Applicable Public Company Rules (including through the book-entry system of the TDCC) that are applicable to shares listed on the TSE.

- (a) change its name;
- (b) alter or add to the Articles;

11.4 Subject to the Law Article 11.5 and Article 66, the following actions by the Company shall require the approval of the Members by a supermajority resolution, provided that if the Applicable Public Company Rules permit the Company to only require the approval of the Board or of the Members by an Ordinary Resolution for the following actions, the Company is not required to obtain the approval of the Members by a Supermajority Resolution:

- (f) effecting any capitalization of distributable dividends and/or bonuses and/or any other amount prescribed under Article 16 hereof;
- (g) effecting any Merger (except for any Merger which falls within the definition of "merger" and/or "consolidation" under the Law, which requires the approval of the Company by special resolution only), Share Swap, or Spin-off or Private Placement of the securities issued by the Company;
- (h) entering into, amend, or terminate any Lease Contract, Management Contract or Joint Operation Contract;
- (i) the transferring of the whole or any essential part of the business or assets of the Company; or

11.6 Subject to the Law and in addition to approval by the Board in accordance with Article 2.2, the Company may, with a resolution approved by at least two-thirds of the votes of the Members present at a general meeting attended by Members representing a majority of the total number of issued shares, issue securities to the following persons

- (b) natural person, legal entities or funds meeting the qualifications set forth by the FSC; and
- (c) directors, supervisors (if any) or managers of the Company or its Subsidiaries.

12. Variation of Rights Attaching to Shares

If, at any time, the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, whether or not the Company is being wound-up, be varied with the sanction of a special resolution passed at a general meeting of the holders of the shares of the class with a quorum of such number of holders holding more than one-half of the total outstanding shares of such class being present in person, by proxy or corporate representatives. Notwithstanding the foregoing, if any modification or alteration in the Articles is prejudicial to the preferential rights of any class of shares, such modification or alteration shall be adopted by a special resolution and shall also be adopted by a special resolution passed at a separate meeting of Members of that class of shares. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.

DIVIDENDS AND CAPITALISATION

13. Dividends

13.1 The Board may, subject to approval by the Members by way of ordinary resolution or, in the case of Article 11.4(a), supermajority resolution and subject to these Articles and any direction of the Company in general meeting, declare a dividend to be paid to the Members in proportion to the number of shares held by them, and such dividend may be paid in cash, shares or wholly or partly in specie in which case the Board may fix the value for distribution in specie of any assets. No unpaid dividend shall bear interest as against the Company.

13.2 The Directors may determine that a dividend shall be paid wholly or partly by the distribution of specific assets (which may consist of the shares or securities of any other company) and may settle all questions concerning such distribution. Without limiting the foregoing generality, the Directors may fix the value of such specific assets, may

determine that cash payments shall be made to some Members in lieu of specific assets and may vest any such specific assets in trustees on such terms as the Directors think fit.

- 13.3** Subject to the Law, Article 11.4(a) and these Articles and except as otherwise provided by the rights attached to any shares, the Company may distribute profits in accordance with a proposal for profits distribution approved by the Board and sanctioned by the Members by an ordinary resolution, in annual general meetings. No dividends or other distribution shall be paid except out of profits of the Company, realised or unrealised, out of share premium account or any reserve, fund or account as otherwise permitted by the Law. Except as otherwise provided by the rights attached to any shares, all dividends and other distributions shall be paid according to the number of the shares that a Member holds and the amount paid up on such shares. If any share is issued on terms providing that it shall be entitled to dividends as from a particular date only, such shares shall be entitled to dividends accordingly.
- 13.4** Upon the final settlement of the Company's accounts, if there is "surplus profit" (as defined below), the Company shall set aside between two per cent (2%) and fifteen per cent (15%) as compensation to employees ("**Employees' Compensations**") and Employees' Compensations may be distributed to employees of the Company and its Subsidiaries, who meet certain qualifications. The Company shall, from the surplus profit, set aside no more than three per cent (3%) thereof as remuneration for the Directors ("**Directors' Remuneration**"). The distribution proposals in respect of Employees' Compensation and Directors' Remuneration shall be approved by a majority of the Directors at a meeting attended by two-thirds or more of the total number of the Directors and submitted to the shareholders' meeting for report. However, if the Company has accumulated losses, the Company shall reserve an amount thereof for making up the losses before proceeding with the abovementioned distributions and allocation. The "surplus profit" referred to above means the net profit before tax of the Company and for the avoidance of doubt, such amount is before any payment of compensation to employees and remuneration for the Directors.
- 13.5** In determining the Company's dividend policy, the Board recognises that the Company operates in a mature industry, and has stable profit streams and a sound financial structure. In determining the amount, if any, of the dividend or other distribution it recommends to Members for approval in any financial year, the Board:
- (a) may take into consideration the earnings of the Company, overall development, financial planning, capital needs, industry outlook and future prospects of the Company in the relevant financial year, so as to ensure the protection of Members' rights and interests; and
 - (b) shall set aside out of the current year profits of the Company, in addition to the provision in Article 13.4: (i) a reserve for payment of tax for the relevant financial year; (ii) an amount to offset losses; (iii) ten per cent (10%) as a general reserve (unless the general reserve reserved in the past years has reached the total paid-up capital of the Company), and (iv) a special surplus reserve as

required by the applicable securities authority under the Applicable Public Company Rules or a reserve as determined by the Board pursuant to Article 14.1.

- 13.6** Subject to compliance with the Law and after setting aside the amounts for Employees' Compensations and Directors' Remuneration in accordance with Article 13.4 and such amounts as the Board deems fit in accordance with the distribution policy set out in Article 13.5, the Board shall recommend to Members for approval to distribute no less than twenty per cent (20%) of the distributable amount as dividend to the Members and the allocation will be made upon the passing of the resolution by the Members.
- 13.7** Dividends to the Members and the Employees' Compensation may be distributed, in the discretion of the Board, by way of cash or by way of applying such sum in paying up in full unissued shares or a combination of both for allocation and distribution to employees or the Members, provided that, in the case of a distribution to Members, no less than ten per cent (10%) of the total amount of such dividend shall be paid in cash. No unpaid dividend and compensation shall bear interest as against the Company.
- 13.8** The Board shall fix any date as the record date for determining the Members entitled to receive any dividend or other distribution.
- 13.9** For the purpose of determining Members entitled to receive payment of any dividend or other distributions, the Directors may provide that the Register of Members be closed for transfers for five (5) days before the relevant record date or such other period consistent with the Applicable Public Company Rules subject to compliance with the Law.

14. Capital Reserve and Power to Set Aside Profits

- 14.1** The Board may, before declaring a dividend, set aside out of the surplus or profits of the Company, such sum as it thinks proper as a reserve to be used to meet contingencies or for meeting the deficiencies for implementing dividend distribution plans or for any other purpose to which those funds may be properly applied. Pending application, such sums may be in the absolute discretion of the Directors either be employed in the business of the Company or invested in such investment as Directors may from time to time think fit, and need not be kept separate from other assets of the Company. The Directors may also, without placing the same to reserve, carry forward any profit which they decide not to distribute.
- 14.2** Subject to any direction from the Company in general meeting, the Directors may on behalf of the Company exercise all the powers and options conferred on the Company by the Law in regard to the Capital Reserve. Subject to compliance with the Law, the Directors may on behalf of the Company set off accumulated losses against credits standing in the Capital Reserve and make distributions out of the Capital Reserve.

15. Method of Payment

- 15.1** Any dividend, interest, or other monies payable in cash in respect of the shares may be paid by wire transfer to the Member's designated account or by cheque or draft sent through the post directed to the Member at such Member's address in the Register of Members.

This is the English translation. In case of discrepancies between the Chinese Text and the English translation, the Chinese text shall prevail.

15.2 In the case of joint holders of shares, any dividend, interest or other monies payable in cash in respect of shares may be paid by wire transfer to the holder first named in the Register of Members to such holder's designated account or by cheque or draft sent through the post directed to the address of the holder first named in the Register of Members. If two or more persons are registered as joint holders of any shares any one can give an effectual receipt for any dividend paid in respect of such shares.

16. Capitalisation

Subject to Article 11.4(a), the Board may capitalise any sum for the time being standing to the credit of any of the Company's Capital Reserve or other reserve accounts or to the credit of the profit and loss account or otherwise available for distribution by applying such sum in paying up unissued shares to be allotted as fully paid bonus shares pro rata to the Members.

17. Annual General Meetings

17.1 The Company shall hold a general meeting as its annual general meeting within six months following the end of each fiscal year. The Board shall convene all annual general meetings.

17.2 The general meetings (including annual general meetings and extraordinary general meetings) shall be held at such time and place as the Chairman or any two Directors or any Director and the Secretary or the Board shall appoint provided that unless otherwise provided by the Law, the physical general meetings shall be held in the ROC. If the Board resolves to hold a physical general meeting outside the ROC, the Company shall apply for the approval of the TSE thereof within two days after the Board adopts such resolution. For the avoidance of doubt, those Members voted in the manner mentioned in the foregoing shall, for purposes of these Articles and the Law, be deemed to have appointed the chairman of the general meeting as their proxy to vote their shares at the general meeting only in the manner directed by their written instrument or electronic document. The chairman as proxy shall not have the power to exercise the voting rights of such Members with respect to any matters not referred to or indicated in the written or electronic document and/or any amendment to resolution(s) proposed at the general meeting, and the Members shall be deemed to have waived their voting rights with respect to any extemporary matters or amendment to resolution(s) proposed at the general meeting.

- 24.6** A Member who is deemed to have appointed the chairman as proxy pursuant to Article 24.4 for purposes of casting his vote by written instrument approved by the Board or by way of electronic transmission shall have the right to appoint another person as its proxy to attend the meeting in accordance with these Articles, in which case the express appointment of another proxy shall be deemed to have revoked the deemed appointment of the chairman as proxy under Article 24.4 and the Company shall only count the vote(s) casted by such expressly appointed proxy at the meeting.

25. Proxies

- 25.1** The instrument of proxy shall be in the form approved by the Board and be expressed to be for a particular meeting only. In the event that any Member who has authorised a proxy to attend a general meeting (excluding the deemed appointment of the chairman of the meeting pursuant to Article 24.4) later intends to attend the general meeting in person or to exercise his voting power by way of a written instrument or electronic transmission, he shall, at least two (2) days prior to the date of such general meeting, serve the Company with a separate notice revoking his previous appointment of the proxy. Upon such exclusion, the number of voting shares being excluded and attributed to each Member represented by the same proxy shall be determined on a pro-rata basis based on the total number of voting shares being excluded and the number of voting shares that such Members have appointed the proxy to vote for.

- 25.5** The instrument of proxy shall be deposited at the Registered Office or the office of the Company's stock affairs agent in the ROC or at such other place as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent out by the Company not less than five days before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and in default, save with respect to the deemed appointment of the chairman as proxy under Article 24.4, the instrument of proxy shall not be treated as valid PROVIDED that the chairman of the meeting may in his discretion accept an instrument of proxy sent by telex or telefax upon receipt of telex or telefax confirmation that the signed original thereof has been sent. Where multiple instruments of proxy are received by the Company from the same Member, the first written duly executed and valid instrument of proxy received by the Company shall prevail, unless an explicit written statement revoking the previous instrument(s) appointing a proxy is made in the subsequent duly executed and valid instrument of proxy received by the Company. The chairman of the meeting shall have the discretion to determine which instrument of proxy shall be accepted where there is any dispute. Unless otherwise provided in these Articles, delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting in person at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

26. Proxy Solicitation

For so long as the shares are listed on the TSE and subject to the laws of the Cayman Islands, the use and solicitation of proxies shall be in compliance with the Applicable Public Company Rules, including but not limited to "Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of Public Companies."

If the Company fails to pay the fair price it deems fit to such Dissenting Member within the ninety (90)-day period, the Company shall be deemed to agree on the repurchase price proposed by such Dissenting Member.
